

Training and Leisure Center Poznan School of Business invites everyone!

The picturesque scenery of forests and lakes, immaculately clean air, soothing silence and a wide range of recreation. These are just a few of the many strengths of our center in which our guests will find something for themselves.

For relaxation fans and those who not enjoy the noisy urban area we offer: WALKS along hiking trails, NORDIC WALKING, mushroom picking, naps in nature, REGENERATION in the sauna or FISHING on the river, pond and lake.

**On the other hand, for those seeking activity, we offer:**

tennis  
horseback riding in the paddock and in the field  
beach volleyball  
basketball  
bike tours  
canoeing  
paintball  
rope park  
archery

**We organize:**

theme courses: language, tennis, horseback riding, dancing, survival, weight loss, theater – film, artistic, sports, ...  
green and white school with a copyright program to choose  
training and workshops  
integration events  
family weekends
